By June 15, 2026, each exhibitor/sponsor must provide the email contact of the person responsible for creating the company profile and registering the team.

BADGES

The badges will be sent to the registered emails one month before the event starts. Badges should be printed at home or at the office and shown upon entry.

MOBILE APP

The Adria Security Summit uses run.events as an event platform, allowing participants to download a mobile app for a better user experience and scan leads for easier networking during and after the show. We recommend downloading the app a month before the event and begin exploring participants and scheduling meetings. Download the mobile app for your [Android](#) or [iOS](#) device.
